

5 points will be awarded per book read when a summary of the book (including a recommendation as to its usefulness to the leadership development journey and your reason for that recommendation) is submitted for publication in the TGL Alumni Newsletter.

- Any book from the BBP Suggested Reading List. (This list will be updated on an on-going basis; please feel free to submit other suggested titles for inclusion in the future! Just send the title and author to Leadership.Council@tn.gov).

- Any book from the “Skillsoft Books 24/7” series notices which TGL LEAD Tn Alumni graduates receive on a regular basis via e-mail. However, you must read the entire book, not just the executive summary available for download from the Skillsoft Books 24/7 site.

- BBP participants may read any other book they believe is related to developing leadership capability and capacity and submit the required report for publication in the TGL Alumni Newsletter. However, the BBP Awards Committee reserves the right to reject these for points awards if they are deemed unrelated to relevant developmental issues for leaders.

Please note that while your book summary and recommendation must be submitted for publication in the TGL Alumni Newsletter, it need not necessarily be published to receive credit for this activity. Just be sure to keep a copy, along with the date submitted for publication, as documentation of the activity for your next belt level award review.
